

Would you like
your meat
raised without
antibiotics?

ConnPIRG
Education Fund

The following Connecticut restaurants are among those that have taken action to transition away from serving meat raised with antibiotics. .

B.Good

Chicken, Hamburgers

Chick-fil-A

Chicken (within five years)

BGR

Hamburgers

Chipotle

Chicken, pork

Cosi

Chicken

Noodles & Co

Pork

We are urging McDonalds USA and other restaurants to join their peers and stop the purchase of meat raised with antibiotics.
