

Would you like
your meat
raised without
antibiotics?

The following Illinois restaurants are among those that have taken action to transition away from serving meat raised with antibiotics.

BurgerFi
Hamburgers, Hot
Dogs

Cosi
Chicken

Culver's
Chicken Tenders

Chick-fil-A
Chicken (within
five years)

Chipotle
Chicken, pork

Epic Burger
Beef

Hannah's Bretzel
All meat

Jason's Deli
Chicken

Noodles & Co
Pork

Panera
Chicken, Roasted
Turkey Sausage,
Ham (salads and
sandwiches only)

Pret-a-Manger
Chicken, beef, pork

Protein Bar
Chicken

Roti
Chicken

Shake Shack
Beef

Sopraffina Market-
caffe
All meat

We are urging McDonalds USA and other restaurants to join their peers and stop their purchase of meat raised with antibiotics.
