

The following New Mexico restaurants are among those that have taken action to transition away from serving meat raised with antibiotics.

Chick-fil-A

Chicken (within five years)

Chipotle

Chicken, pork

Carl's Jr.

The All-Natural Burger

Flying Star Cafe

Chicken

Jason's Deli

Chicken

The Grove Cafe

All meat

Panera

Chicken, Roasted Turkey Sausage, Ham (salads and sandwiches only)

Shake Foundation

Hamburgers

Yasmine's Cafe

All meat

We are urging McDonalds USA and other restaurants to join their peers and stop their purchase of meat raised with antibiotics.
