Dear Senator,

On behalf of our organizations, we are writing to inform you that we recently became aware of the circulation of a list of consumer groups that signed a 2014 letter to FHFA Director Mel Watt in general support of competition in the credit scoring market.

If you have received this information, please know that our inclusion on that list does not mean we support Section 310's inclusion in the substitute amendment for S. 2155.

As we have noted in joint and separate communications to the Senate over the last month, we oppose S. 2155 because we believe that it rolls back important protections for consumers, taxpayers and the financial system.

We urge you to reject S. 2155 in its entirety. If you have any questions, please feel free to reach out to Mike Litt at mlitt@pirg.org.

Sincerely,
