## Myrtle the Turtle

When humans use plastic and throw it away,  
For hundreds of years on the Earth it will stay.  
The most important thing you can do is not  
you must stop using plastic.

WILDLIFE  
OVER WASTE

Scientists say, so you know it's not iffy, "More plastic than fish by the year 2050."  
Help Myrtle and her friends and reduce your plastic use!

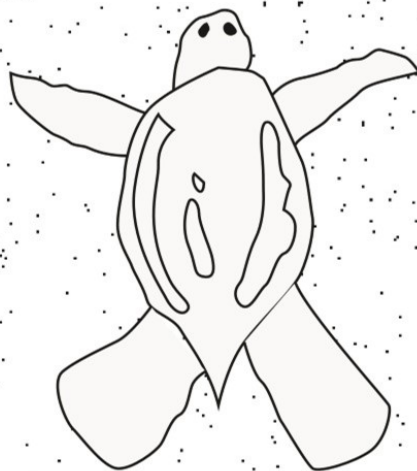

Myrtle  
the  
Turtle

# Myrtle The Turtle

**Reduce your use! Help keep Myrtle happy and healthy by keeping plastic out of the ocean.**

**What other Marine friends does Myrtle have?  
Draw them on the beach or in the ocean!**

# Myrtle the Turtle

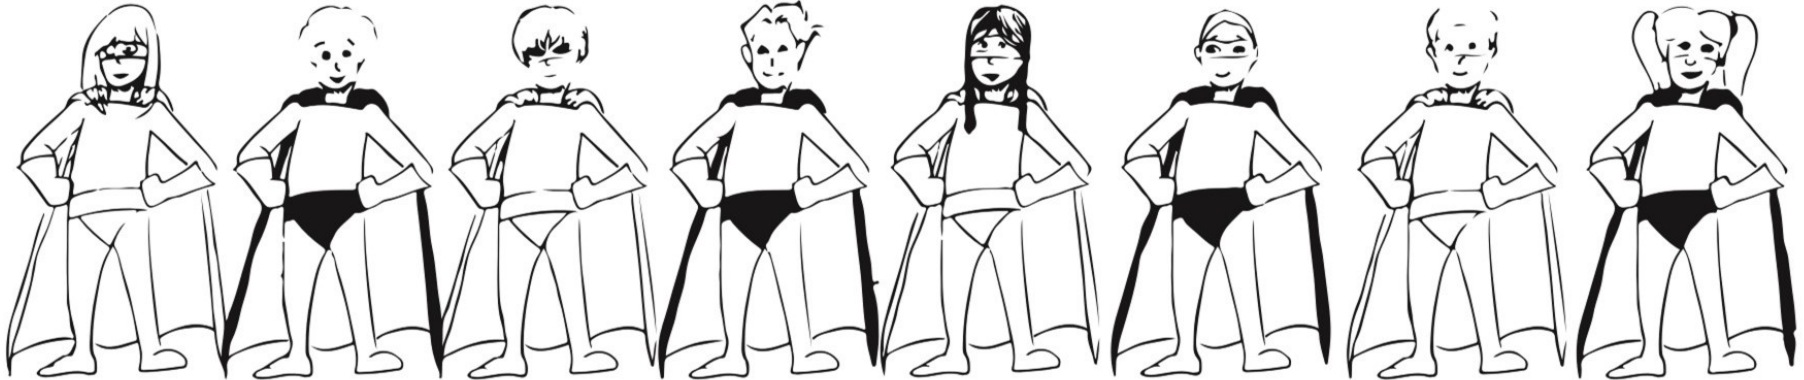

**When humans use plastic and throw it away,  
For hundreds of years on the Earth it will stay.**

The most important thing you can do is reduce, you must stop using plastic that's just single-use

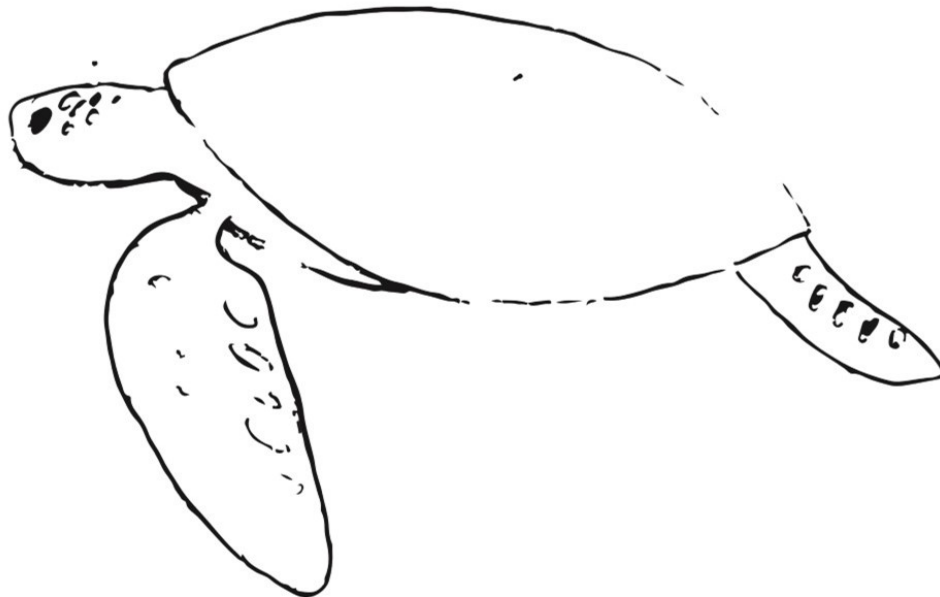

# Myrtle the Turtle

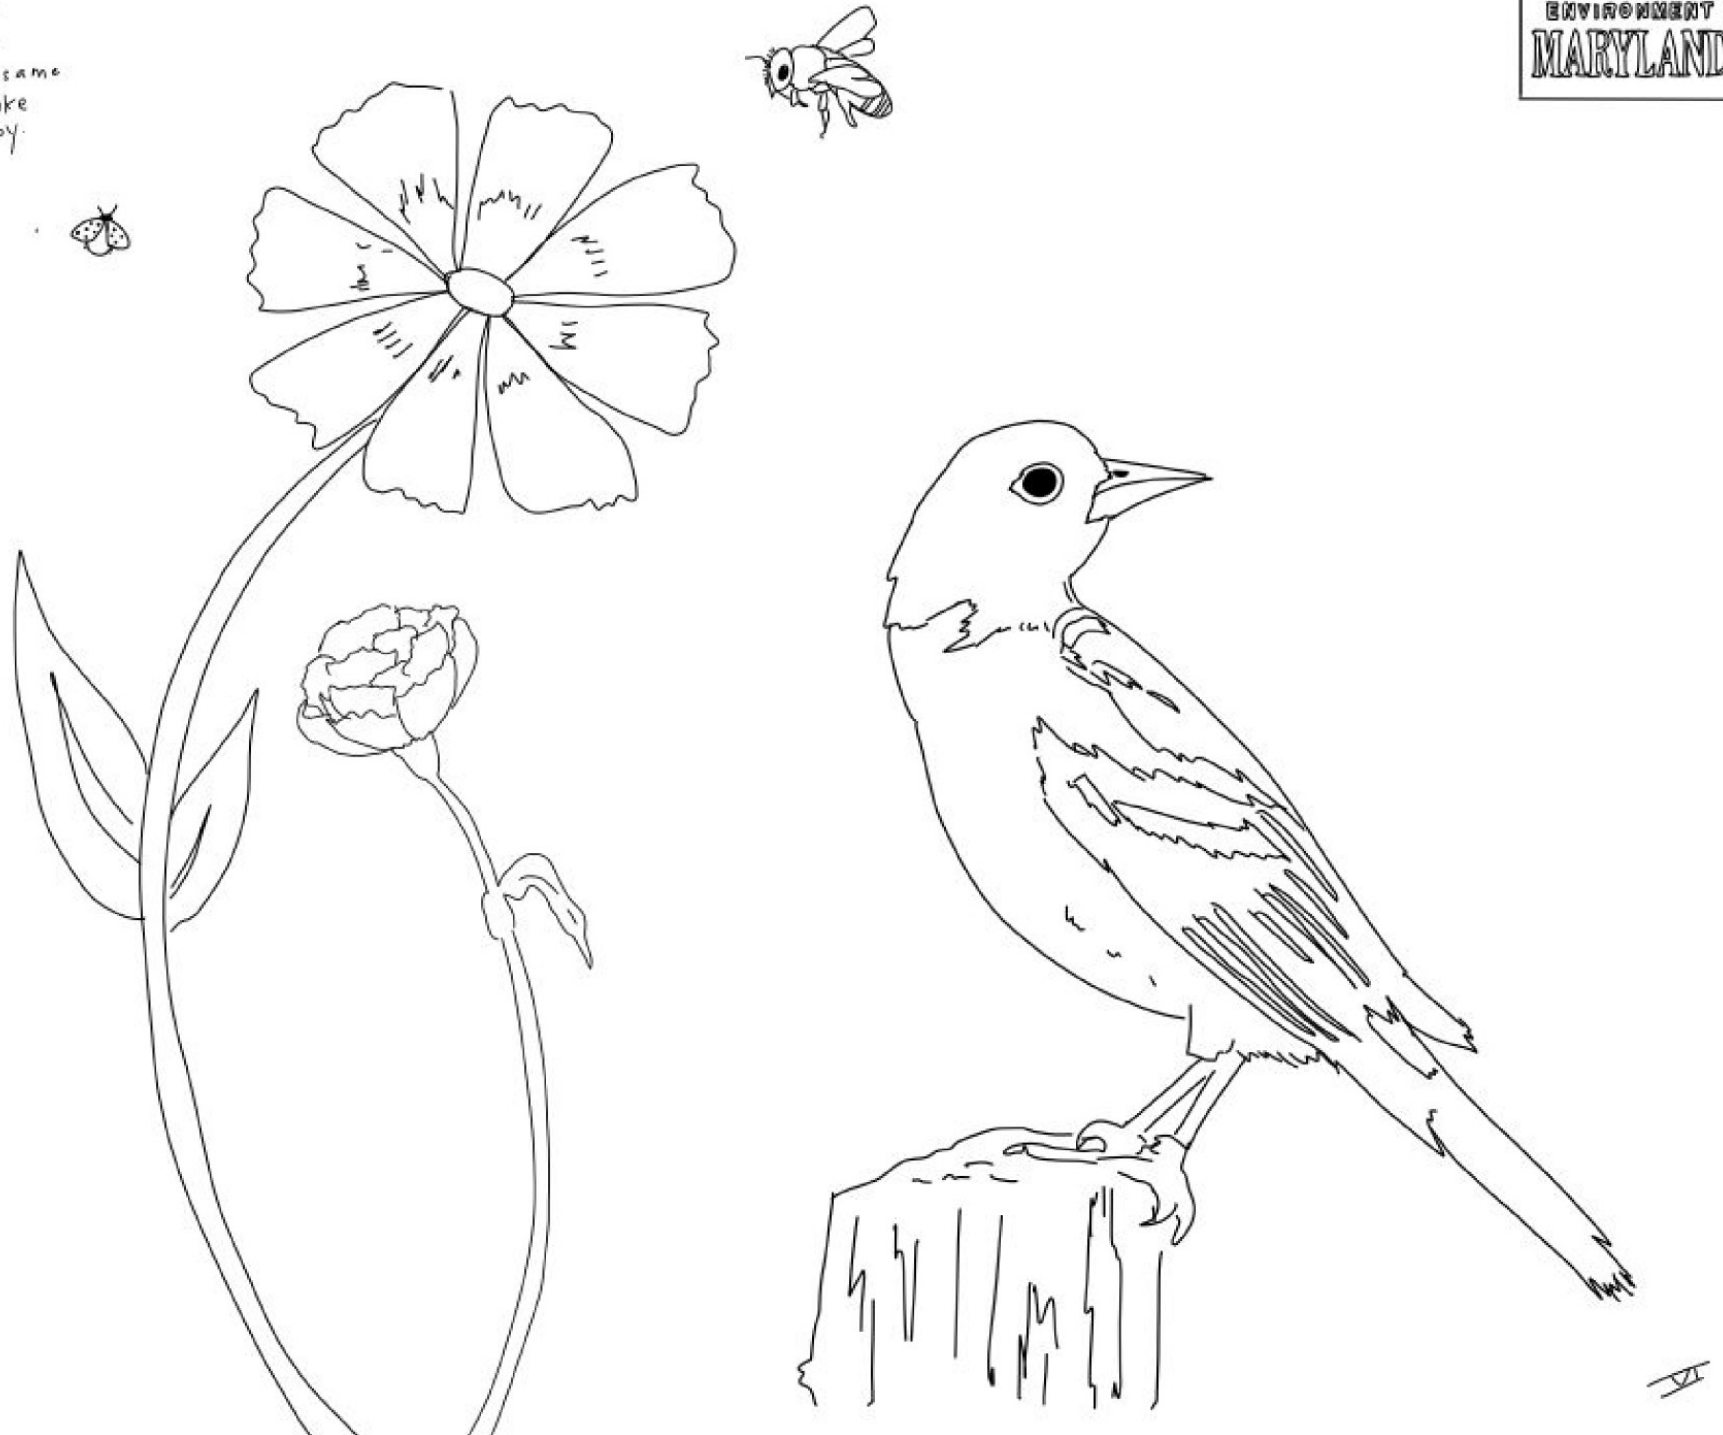

**We need  
Super You to  
help keep  
the sea  
plastic-free!**

**I, \_\_\_\_\_, promise to reduce my use and help Myrtle the Turtle**  
( name )

Save the Bees!  
Without them, our  
food and gardens  
wouldn't be the same  
for native birds like  
the Oriole to enjoy.

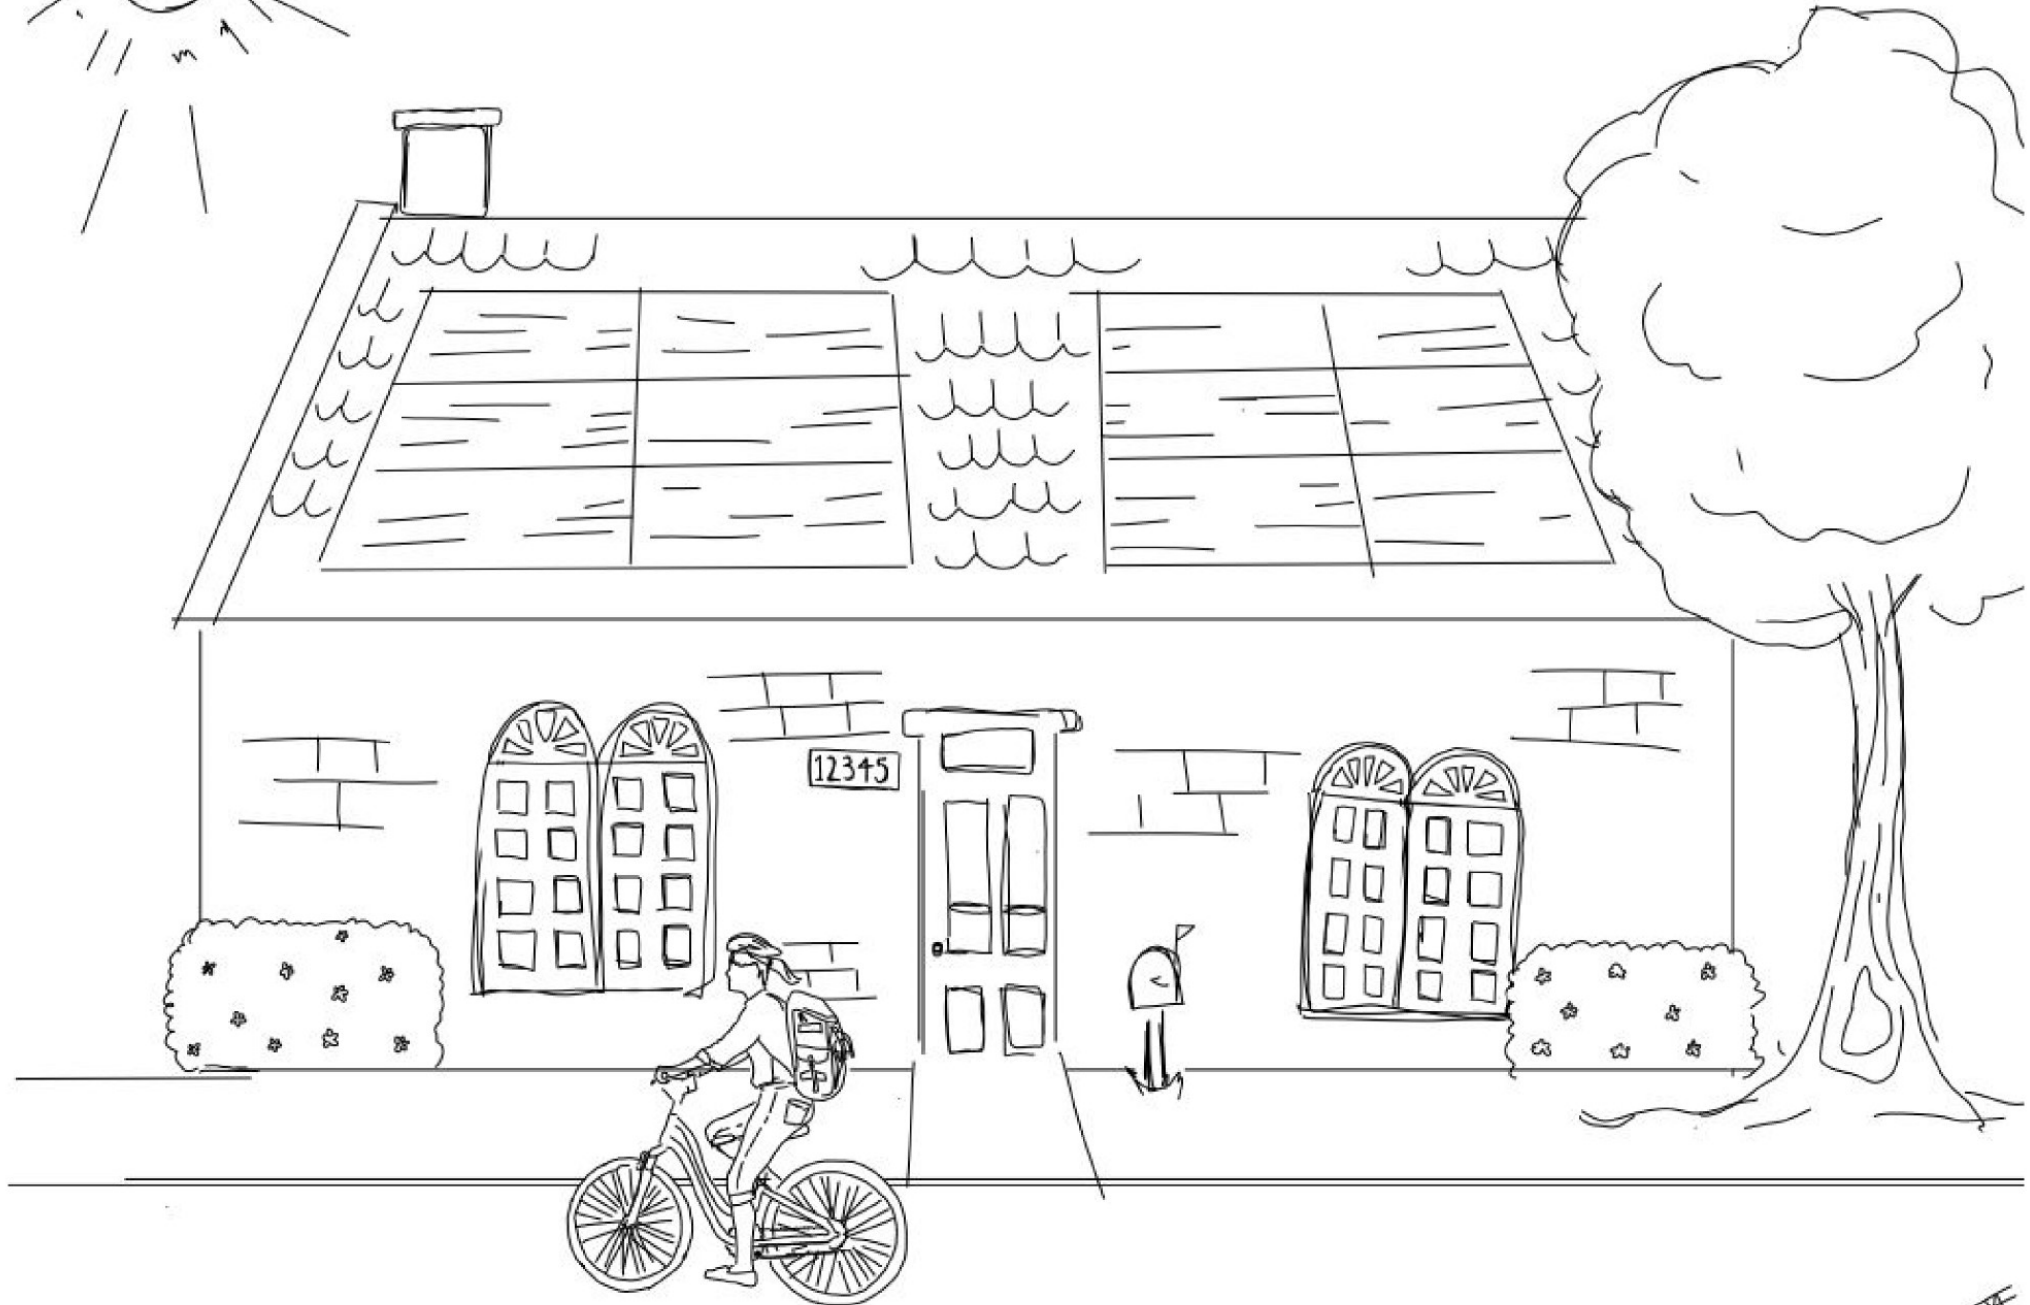

Clean Green Renewable Energy  
Act Now for Maryland

Keep the solar surge going strong!  
It's time for Maryland to go  
big on solar power!

The Black-Eyed Susan  
is a bright yellow  
flower native to Maryland  
that Monarch Butterflies  
love!

DESIGN YOUR OWN REUSABLE BAG!

Bring your own  
bag. Break up  
with plastic and  
make the  
switch!

Let's put Wildlife Over Waste!  
Defend our bodies of water  
so that turtles and  
crabs can thrive!
