

Endangered Illinois Turtles

There are two species of endangered turtles at the zoo and both are native to Illinois. These turtles' habitats are being fragmented and destroyed by human development and they need our help. Support Recovering America's Wildlife Act today to help these turtles!

Blanding's Turtle

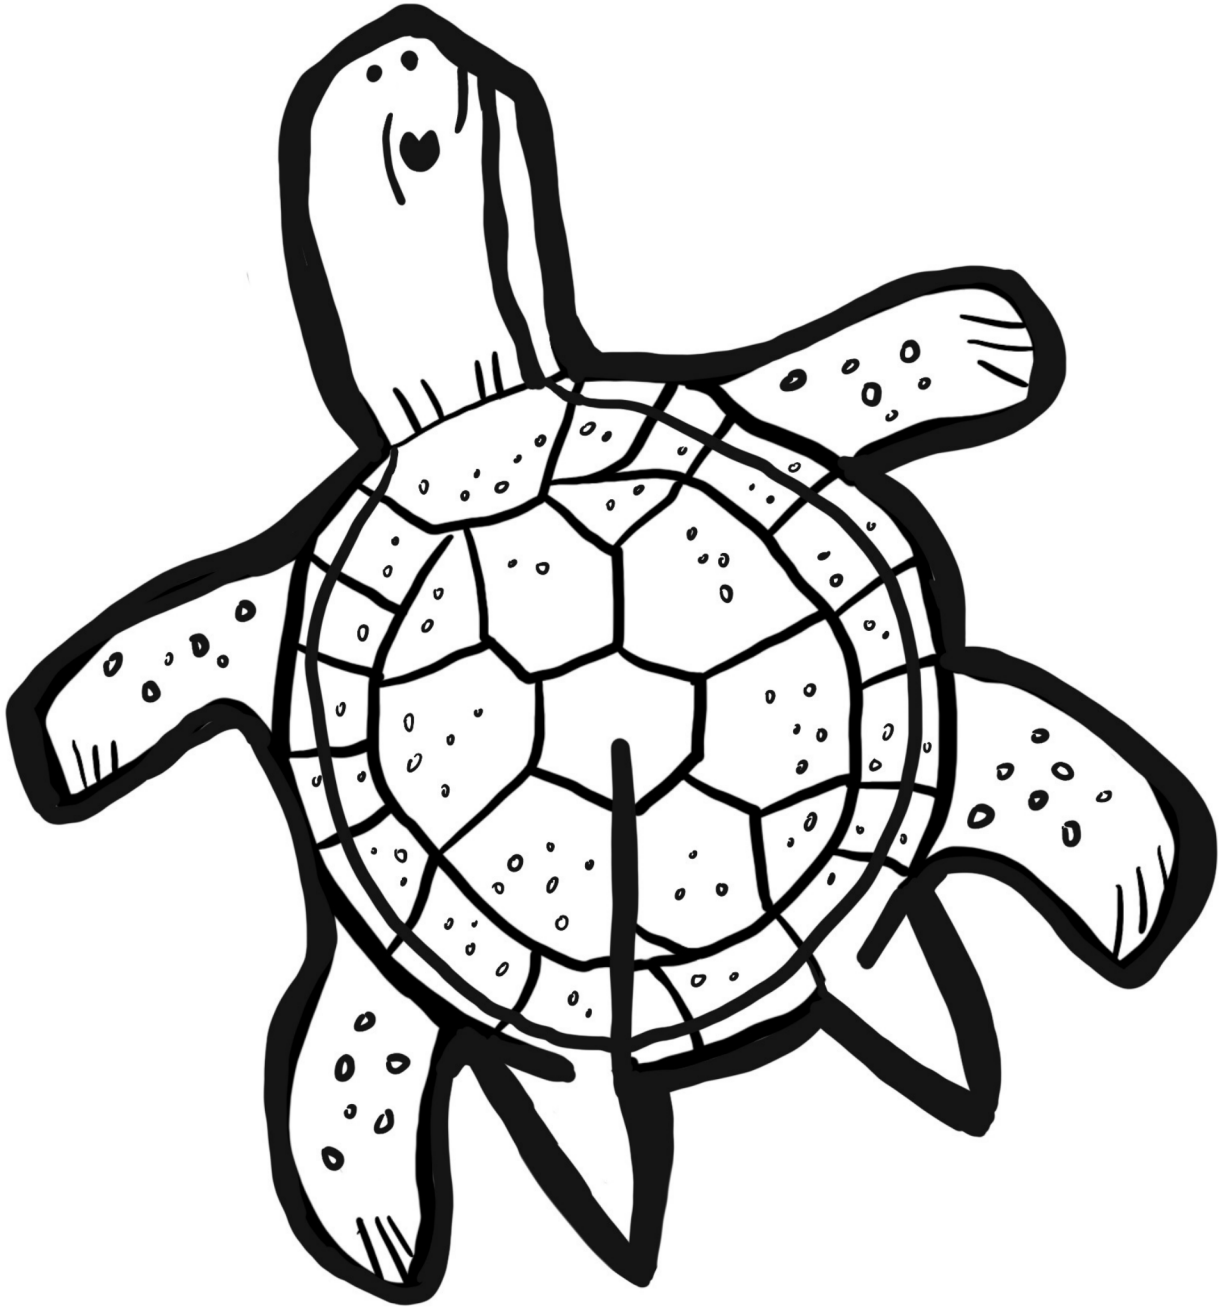

Spotted Turtle

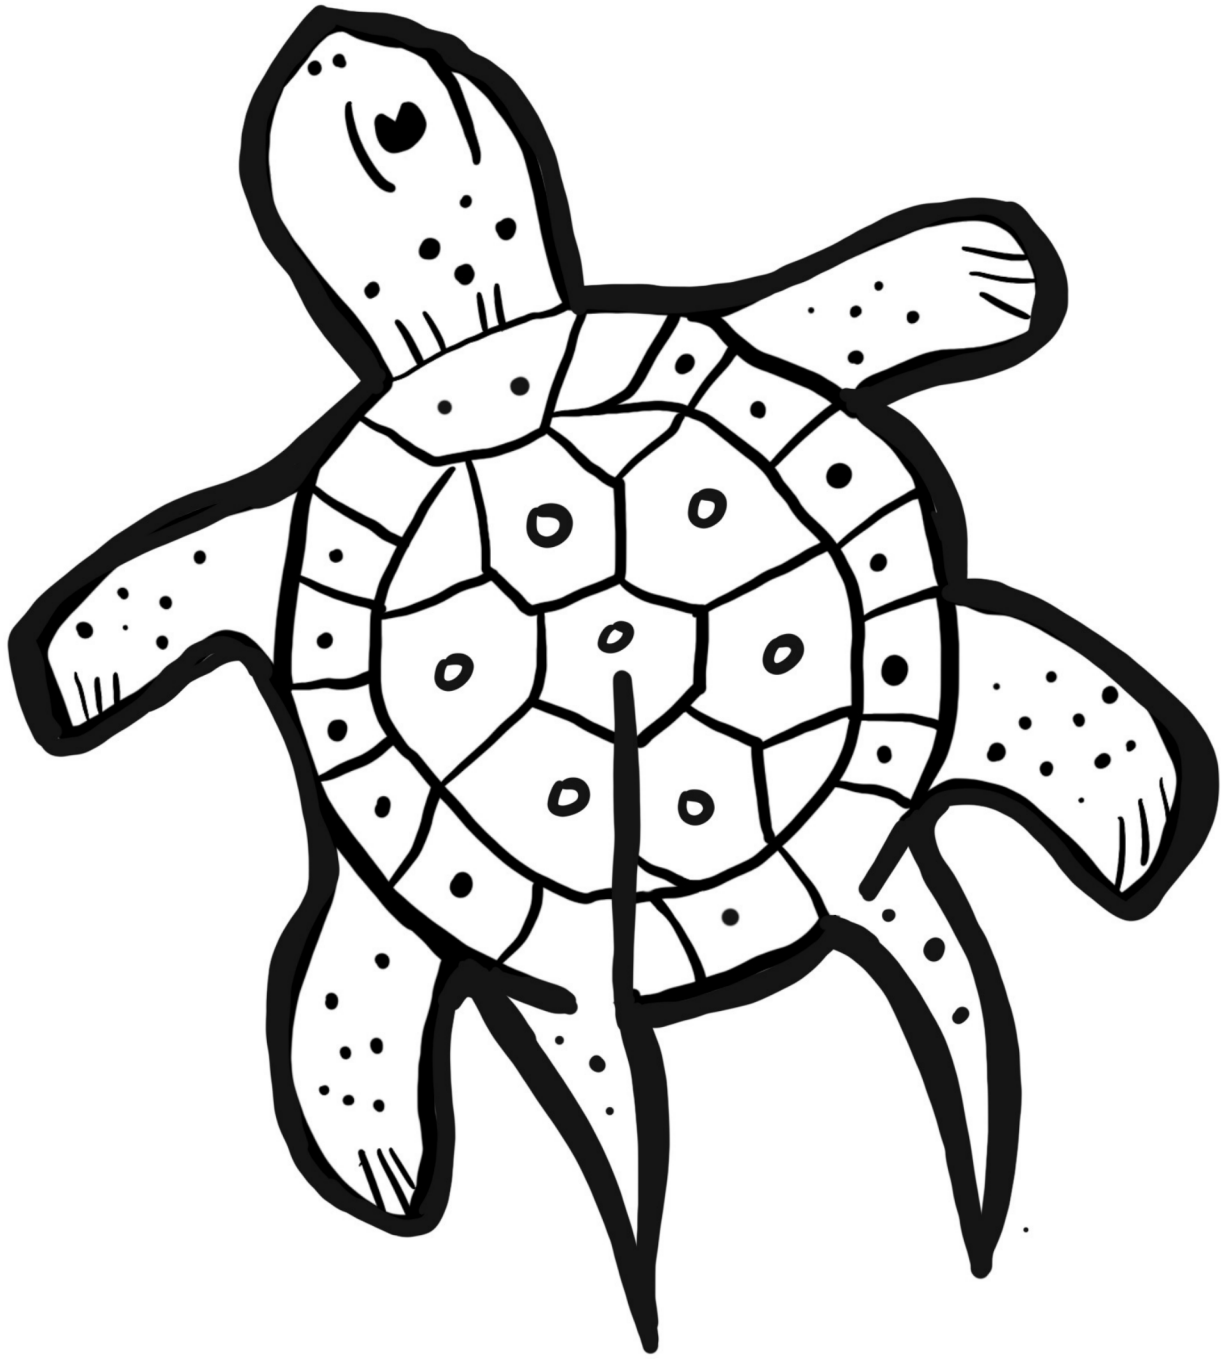

Create a 3D paper Spotted or Blanding's Turtle!

1. Choose your turtle template
2. Color in your turtle to look like the real thing, or be creative!
3. Fold the shell and hook the tail pieces together
4. Share your completed art!
